Playathon

Singing in the Rain:

- Rain, rain *don't* go away: you give kids fun ways to play!
- Rainy days transform the outdoor world into wet and wonderful landscapes to explore.
- Grab those raincoats and rubber boots and head out for some rainy day play.
- Children can catch raindrops into containers or on their tongues;
 - make rain music on pots and pans;
 - race sticks in gutters or creeks;
 - or sing and dance in the rain.
