# Playathon

## Octopus Tag:

- Start by selecting one player to be the octopus.
- The rest of the players line up on one end of the play area and face the octopus.
- The octopus beckons the players to cross the sea by naming different things:
  - “If you are wearing white socks, swim!” or
  - “If you like chocolate chips, swim!” or
  - “If you have the letter “a” in your name, swim!”
- Players try to run to the other side of the area without being tagged by the octopus.
- Players that get tagged become seaweed and can’t move; however, seaweed can tag players that pass by them.
- If the octopus calls out “Octopus!” all the players have to run to the other side of the area.
- The game is finished when only one player remains.
